Why are you standing around the entrance?
And,
my love is good.
Since her love was so earnest towards the owner,
it blossomed to mutual love.

Hey,

He usually greets me first thing in the morning.
Before, his daily routine was to sexually harrass me.

Let's stop.
Virgins are such a pain.
Is it something else?

That's not it, is it?

At that time, did I say something strange?
In order not to forget, please make love to me.

In the end,
Koyomi-san stopped midway and went home.

Could it be...

Fuji,
let's go to lunch.
Oh—
Okay!
What do you want to eat today?
Um
What-ever...
This neighbor-hood has a new pasta shop.

Do you want to go?
He usually invites me out to lunch.

But, Koyomi-san likes you, right?
If that's true, don't abandon hope.

And...
Even if he was bored,
he still likes you so that's good.
Don't worry.
Just leave it to me.
It's a miracle...

It's unusual for Yashiro-san to not immediately start hitting on a girl.
He always goes for the kill.
That's true.

Koyomi-san, you admired me when I was like this before.
I thought that if I was like this again...

You would endeavor to like me more.
Making a great effort is fine.
SNAP!
That's why,
if I re-created something similar to before, you'd touch me again.

It's been exactly three months to the day since the first time we kissed.
I've endured it for that long!

Why would I put so much effort
if I didn't like you?
And yet, you kept provoking me
that I barely made it without touching you.
Um...
Why three months?
3 months is the limit of my endurance!
It was my rule in having to endure this pain for 3 months in good faith towards you!
It was hard, but
I decided it was important enough to do.

I love you
Koyomi-san.
WHen I touch you, I start to shake. Thay's why.
I wanted to make love to you gently.

tonight?
Is it okay if you don't go home

Yes.
It's embarr-assing.
I'm scared.
It hurts.

I want
